

Dr. Michael M. Krop Senior High School PTSA Donation Program

This year, the PTSA is implementing a donation program to provide relief to our school. Due to much publicized budget cuts, our students and teachers have suffered a monumental decline in funds allocated to MKHS. This will continue to affect the high level of public education we have learned to expect from our school. **WE NEED YOUR HELP!!** Your donations, together with our fundraising proceeds, will go directly to support need-based purchases approved by the Principal and our PTSA. All donations are 100% tax-deductible and are welcome from alumni, community businesses, grandparents, etc. **No donation is too small!**

PURPOSE AND MISSION OF THE DONATION PROGRAM

While the PTSA is not specifically a fundraising organization, we must raise money to continue to provide programs and support to the school for campus improvements, technology enhancement, communication, and educational programs. The PTSA will have a Special Projects Committee to coordinate need-based purchases with Principal Welker to make sure that all donations are allocated to the best possible project(s). Some of these projects include:

- **ADDITIONAL STUDENT PARKING LOT – \$10,000**
- **SCIENCE DEPARTMENT GREENHOUSE – \$3,000**
- **BASIC SUPPLIES FOR TEACHERS AND STAFF – \$15,000**
- **ATHLETIC DEPT./TEAM SPORTS EQUIPMENT & TRANSPORTATION – \$25,000**

Your contribution is greatly appreciated. With your generous support, we will be able to fulfill the wishes of all our teachers and staff. We thank you!
